Officer and Coordinator Reports:

Chair: Riina M. – Hello Family, I attended Area (ASC) this last month and thanked Activities Committee for the excellent job they did on this year's annual PRC Fundraiser. We need to discuss allocating those funds for the year. PRC Chair will be elected at ASC in December, for which I will be running for a second term. In Loving Service, Riina M

Vice Chair: Aaron M. – Hello Family, I do not have much to report. The Fundraiser was awesome. Area asked me about the stance PRC has taken on DRT (drug replacement therapy). The view of PRC that was discussed at our last meeting was given to the ASC Chair. Thank You for allowing me to be of service, Aaron M.

Secretary: Tony A. – Verbal Report. Minutes of previous meeting were read.

Helpline Coordinator: Jesse W. – Hello Family! Thank you for putting me to work – it helps keep me clean! And thank you for trusting me as your servant! Nothing new to report, I have answered calls, returned voice mails, and directed volunteers in making appropriate decisions. The helpline is still functioning properly and people are being helped. Thank you for allowing me to be of service and carry on soldier! Jesse W.

H&I Coordinator: Vic W – absent, H&I Panel Report turned in.

PI Coordinator: Justin H – verbal report.

Literature Coordinator: Roberta C – Hi Everyone, I have packets for anyone that needs them here with me today. I would like to be available to anyone who needs packets through the month – feel free to call or text me with your orders. Clancy, my Literature Assistant is not able to continue with that position, so it is open. Thank you for your patience with me as I continue to learn and grow. In Loving Service, Roberta C.

Elections: Orofino Panel Leader tabled until next month due to no volunteers in attendance.

Helpline Coordinator – Jesse W elected.

Literature Assistant – Matt S. appointed by Riina

PI Co-coordinator is available for appointment.

The committee is sending a vote of confidence to ASC to elect Riina as PRC Chair.

Old Business: None

New Business: We discussed methods to get PRC Trusted Servants into compliance with our guidelines. Panel Leaders are required to maintain voting member status at PRC and there are a few who have not. These guidelines are intended to keep PRC informed of what is occurring at NA Panels. Many absences could be excused by notifying the PRC in advance and providing a written report. The key is keeping PRC informed. The committee wants to gently guide servants into compliance and is not looking to force anyone out of their position unless it is absolutely necessary.

The Literature Chair passed a sign-up sheet to help perform an inventory of our current literature supply and decide how much literature we need to order to complete our obligations for the following year. The inventory is scheduled to take place before the next PRC meeting. Once we know how much money needs to be spent on literature and PI, we can decide how to allocate the remaining funds, if any.

There is approximately \$300 in our yearly revolving \$500 account. The committee decided to purchase 15 Basic Texts and 8 Step Working Guides with the money.
