Vice Chair: Aaron M. – Verbal report.

Secretary: Tony A. – Verbal Report. Minutes of previous meeting were read.

Helpline Coordinator: Jesse W. – Hello Family! There are lots of new meetings that have fired up and this is exciting! I have printed out the new updates and will be rerecording them on our phone service soon. I received a call from ABHS in the valley requesting literature and I will be writing a motion requesting literature. Other than that – all is well! Thank you for trusting me as your servant! Jesse W.

H&I Coordinator: Vic W. – No panels were held at Orofino State Prison. Kevin B has expressed interested in the panel leader position. All panels held at PCE. Anthony would make a great panel leader. He has been doing this panel and has a desire to continue carrying the message. Specialty Services 1 needs a panel leader. Panels have been changed to the 1st and 3rd Thursdays at 6:30 to 7:30 pm. Next month will be my last month as H&I Coordinator. Thank You, Vic.

PI Coordinator: Justin H. – Hello Family, I attended all subs this month in Ellensburg. The World Service Learning Days has all the workshops available for viewing on their website and there are ongoing webinars for anyone who is interested. Check NA.org for information. They are also working on a Department of Corrections (DOC) exchange program to get H&I members approved to go into prisons outside the area they live in. Public Information met on January 15, 2017. We are going to get quotes on a canopy to use for outdoor booths and events. Also we are looking into information packets for local schools. A member is contacting local schools to see if they would be interested and if they are we will price out the Information Packets and bring in a motion next month. Also we will be putting in a motion for booth

registration fees then. Also we need help with someone to contact places for possible presentations. Next PI meeting is at 4:30pm on February 19th at Our Club. In Loving Service, Justin H.

Literature Coordinator: Roberta C. absent. Written report read by Riina – Hello everyone, I am sorry I cannot be there today, I had a procedure done yesterday and am feeling a little under the weather. Mat was not able to make it either. Of course I have literature, it is at my house and available to you by making a phone call or text. I can arrange either a time to drop it off or for you to pick it up. I am sorry for any inconvenience this may cause. Grateful to be of service, Roberta C.

Old Business: None

New Business: PRC needs a place to store literature. There is not enough room in the ASC storage for PRC stuff also. It would cost an extra \$20/month to double the size of ASC storage. Riina plans to bring this issue to ASC. Motion to be voted on at ASC February 4, 2017.

Motions: There were two new motions submitted.

Motion #1 – Submitted by Jesse W and seconded by Anthony C, “To deliver 2 Basic Texts, 1 Step Working Guide, and 1 Just For Today Meditation book to ABHS Valley. Amended to add a reading packet, 25 White Books , and 40 schedules.” Intent - “To further carry the message of recovery to a treatment center.” Result – failed. The committee suggested taking 2 literature packages and further assess the facilities needs.
