Old business

We will coordinate with Chris to hopefully have a menu selected prior to next FSC meeting. Will encourage him to attend a FSC meeting to present the menu.

Fliers will be made once we know the menu. This way we can provide the menu on the fliers.

Revision made to the FSC positions. All coordinator positions will have 1 year suggested clean time. They will seek the bids. Bring the bids to FSC meetings and turn the contracts over to the treasurer. Then the treasurer will follow up with payment and contracts. Coordinators will handle the decorations for events they are coordinating for.

We will no longer have a decorations or facility coordinator position on this committee.

New Business

Matt S volunteered for the MM Coordinator position.

Rehearsals can be held in a public meeting place or at someone's home. If rehearsals are held in a home, the cast needs to be fully selected and vote unanimously in agreement with having it in that home.

MM theme will be Red Carpet Gala.

Kimberly will be in contact with Civic Theater to see about borrowing or renting props and a red carpet.

Michelle will look into backdrops. We could possibly wrap the Jeopardy board with wrapping paper.

Everyone will look into pricing and ideas on centerpieces prior to next meeting.

Action list for next meeting

Look into pricing and ideas for centerpieces for MM dinner.

Meeting Closed @ 7:30 with the 3rd step prayer.
