

## **Activities Subcommittee Meeting**

5/26/19

Meeting opened @ 5:30 with the serenity prayer

12 Traditions - read by Danya

12 Concepts - read by Jo

### **Roll Call**

Chair: Jesse W - present

Report: revised guidelines are in, new softball liaison position is reported to area

Vice Chair: Chadwick - present

Secretary - Danya - present

Report: made Volleyball flier, need to alter it slightly and start printing fliers at a different location in order to adhere to our traditions

Treasurer: Augie - present

Report: needs to be added to the bank account, which requires a printed copy of the minutes of the meeting in which he was appointed as treasurer

Treasurer Trainee: Shane - present

Campout Liaison: Richard - present

Report: needs to do more research, more information needed. Other people offered to pitch in ideas, but we need to make sure to reserve a campsite as soon as possible for the July and September campouts. Need to plan an agenda for the whole trip and organize everything including funds

Side discussion: bank account has not been replenished from December and January \$320 in bank account, \$250 paid for memorial day stuff (will make it back) about 50 people, campsite about 500 bucks so around \$10-15 a ticket. Possible issue of having the on-hand funds necessary to reserve the campsite. JULY weekends to be used for campout July 12-14 or July 19-21

Volleyball Liaison: Annette - present

Report: stepping down - her oxford house does not permit her to be in this position anymore

Softball Liaison: Aaron - present

Report: good turnout at softball- average between 9 and 15 people not enough participation for a team currently

Plans to fix the flier times

Assistant Softball Liaison - JC - excused

Voting Members: 11

New Members:
